Dear Administrator:

This letter provides you with information regarding your Cash Receipts Assessment reimbursement rates effective January 1, 2019.

In accordance with §2807-d(2)(b) of the Public Health Law, a separate rate is available to reimburse your facility for the cash receipts assessment program. The rates have been revised to reflect the 2018 actual assessment liability. The processing for the 2019 CRA will take effect in cycle 2201, with a release date of 11/13/2019. Once 2019 actual cash receipts assessment liabilities are available, these rates will be further reconciled.

If you have any questions, please send an email to NFRATES@health.ny.gov and Robert Yankowski will respond to your inquiry.

Sincerely,

Laura Rosenthal
